Dear Allan:

On behalf of the Awards Selection Committee, including Rick Sapinski, Paul Moran, Maureen McLeod, Liliane Laforest and Mark Rinaldi-Ross, we would like to thank you for submitting your nomination for the Outstanding Leadership Award. This year's submissions were truly inspiring and made the Committee's decision very challenging.

Each of this year's nominees are deserving of recognition and thanks for their work improving the lives of children and youth. The Committee really appreciates you nominating a program for the Award. The Every Kid in our Communities coalition of 24 local agencies and organizations is really impressive. While the Committee greatly appreciates their contributions, another nomination was selected by the Committee this year.

The Awards Selection Committee appreciates the effort and care you put into the nomination package for Every Kid in our Community. They recognize the amount of work and time that the nominations take and know it is a real testament to the impact they are having.

Thank you again for your submission for the Outstanding Leadership Award.

Sincerely,

Marcelo Gomez-Wiuckstern
