

Coordinated Service Planning Service Provider Training

Coordinated Service Planning supports children and youth with special needs and their families, by ensuring that everyone involved in their child's care is working toward the same goals. Help us work together to ensure a seamless and family-centred service experience for our clients.

Who should attend? All service providers in LLG and KFLA who provide services for children and youth with special needs and their families, e.g. educators, health professionals, family support workers, resource consultants, developmental services workers, social workers, case managers, etc.

Select one of four training sessions:
