

Child and Family Centre's –Looking at priorities from the agency perspective

To support our continued examination of priority and needs please consider the following:

AGENCY/PROGRAM: \_\_\_\_\_

	Centre based pilot example	Mobile based pilot example	Virtual based pilot example
What can your agency bring to this model to support its development and operation?			
What would be your priority elements to achieve?			
What would your needs be to support those elements?			

Do you have location priorities or concerns?

Where do you see possibilities?

How might you adapt your service delivery to support/connect to CFC's?

Who needs to be part of this planning?
