

Impact of COVID 19

Working Together

<p style="text-align: center;">Strengths</p> <p>Have there been any good things that have happened?</p>	<p style="text-align: center;">Weaknesses</p>
<p style="text-align: center;">Opportunities</p> <p>What can we do together? How do we advocate as a collaborative to address threats/weaknesses?</p> <p>What have we learned from Coordinated Service Planning that can be transferred? What are the opportunities? Is there an initiative that we can work on together? always thinking the best What are the situational pieces? Help support other agencies Building relationships Staff are seeing the community perspective</p>	<p style="text-align: center;">Threats/Opportunities</p> <p>How might the way we work together be impacted negatively? turning inward because of increased pressure</p>

Support staff wellness

opportunity to align policies/processes to support staff wellbeing

need to build awareness of agencies in community

“No wrong door”

Tell stories – how we worked together
