

Impact of COVID 19 Working Together

Strengths

Have there been any good things that have happened?

Weaknesses

Opportunities

What can we do together?
How do we advocate as a collaborative to address threats/weaknesses?

What have we learned from Coordinated Service Planning that can be transferred? What are the opportunities?
Is there an initiative that we can work on together?
always thinking the best
What are the situational pieces?
Help support other agencies
Building relationships
Staff are seeing the community perspective
Support staff wellness
opportunity to align policies/processes to support staff wellbeing
need to build awareness of agencies in community
“No wrong door”
Tell stories – how we worked together

Threats/Opportunities

How might the way we work together be impacted negatively?
turning inward because of increased pressure
