| <p>Review of Robert Fulton Proposal – Information & Discussion During the month of March a community partner came forward to fund the Fulton report, with the caveat that it be paid by April 1. Therefore, the proposal was sent both to the Data Work Group and the EKIOC Lead Table and there was a consensus that we would proceed on the basis of the proposal provided. Bob Fulton has since asked some specific questions:</p> | | |

|---|---------------|-----------------------|
| <p>(1) Is your greatest priority internal, as in what is happening inside your townships, towns and cities. If true you will want option 2 for the most part, as displayed in the workbook options</p> <p>OR</p> <p>(2) How do your townships, towns and cities compare with the external environment, (i.e.) the other cities and town in your local neighborhood. If true, you will want some variation of option tot pop, displayed in the first tab.</p> <p>We agreed that while we want internal information, we are very interested in how L & G compares with other similarly sized communities in Ontario, including places such as Halton, London, SD & G, Frontenac, Lennox & Addington. Geraldine queried whether Bob would be using Canadian Institute for Health Information. We also agreed we would be interested in data on homelessness, under-housing and drug use, particularly in relation to youth.</p> <p>Action(s):</p> <ol style="list-style-type: none"> 1. Karynn will write back to Bob Fulton as above. | <p>Karynn</p> | <p>March 23, 2023</p> |
